If other, please describe: \_\_\_\_\_

**2. CURRENT employment and financial impacts of the COVID-19 outbreak**

*a.* **Which of the following changes in employment have already occurred due to the COVID19 outbreak? (check all that apply; leave blank if not relevant)**

|   | Self | Partner |
|---|------|---------|
| Move to remote work                     |      |         |
| Loss of hours                           |      |         |
| Decreased pay                           |      |         |
| Loss of job                             |      |         |
| Decreased job security                  |      |         |
| Disruptions due to childcare challenges |      |         |
| Increased hours                         |      |         |
| Increased responsibilities              |      |         |
| Increased monitoring and reporting      |      |         |

|  |  |  |
|--|--|--|
| Loss of health insurance                                     |  |  |
| Reduced ability to afford childcare                          |  |  |
| Reduced ability to afford childcare                          |  |  |
| Reduced ability to afford rent/mortgage                      |  |  |
| Having to fire or furlough employees                         |  |  |
| Decrease in value of your retirement, investments or savings |  |  |

3. **In general, what is the level of distress you have experienced relating to employment and financial impacts due to the COVID-19 outbreak?**

*(Likert scale 1-7, 1 = No distress, 7 = High distress)*

4. **FUTURE (expected) employment and financial impacts of the COVID-19 outbreak**

a. **Which of the following changes in employment do you expect will occur in the future? (*check all that apply; leave blank if not relevant*)**

|  | Self | Partner |
|--|------|---------|
| Move to remote work  |      |         |
| Loss of hours  |      |         |
| Decreased pay  |      |         |
| Loss of job  |      |         |
| Decreased job security                                       |      |         |
| Disruptions due to childcare challenges                      |      |         |
| Increased hours  |      |         |
| Increased responsibilities                                   |      |         |
| Increased monitoring and reporting                           |      |         |
| Loss of health insurance                                     |      |         |
| Reduced ability to afford childcare                          |      |         |
| Reduced ability to afford childcare                          |      |         |
| Reduced ability to afford rent/mortgage                      |      |         |
| Having to fire or furlough employees                         |      |         |
| Decrease in value of your retirement, investments or savings |      |         |

5. **In general, what is the level of distress you have about FUTURE employment and financial impacts of the COVID-19 outbreak?**

*(Likert scale 1-7, 1 = No distress 7 = Highly distressed)*

***\*Questions #1-5 are listed as questions 8 – 12 in original survey***
