

Data Collection Worksheet

Please Note: The Data Collection Worksheet (DCW) is a tool to aid integration of a PhenX protocol into a study. The PhenX DCW is not designed to be a data collection instrument. Investigators will need to decide the best way to collect data for the PhenX protocol in their study. Variables captured in the DCW, along with variable names and unique PhenX variable identifiers, are included in the PhenX Data Dictionary (DD) files.

The Working Group acknowledges that the following questions may gather sensitive information relating to the use of substances and/or illegal conduct. If the information is released it might be damaging to an individuals employability, lead to social stigmatization, or other consequences.

For information on obtaining a Certificate of Confidentiality, which helps researchers protect the privacy of human research participants, please go to the National Human Genome Research Institutes Institutional Review Board website.

Note to interviewer: Respondents who were classified as a "Smoker" or "Non Smoker" in the Tobacco - Smoking Status (Adolescent Protocol) (by answering Question 1 as "Yes" [Have you ever smoked part or all of a cigarette?]) are asked the following question:

How old were you the first time you smoked part or all of a cigarette?

AGE: ____ [RANGE: 1 - 110]

Dont Know / Refused

Note to interviewer: Respondents who were classified as a Current Every-Day Smoker in the Tobacco - Smoking Status (Adolescent Protocol) as well as respondents who were classified as a Current Some-Day Smoker or a Former Smoker and also answered the Tobacco - Lifetime Use (Adolescent Protocol), Question 3 as "Yes" (Has there ever been a period in your life when you smoked cigarettes every day for at least 30 days?) are asked:

How old were you when you first started smoking cigarettes every day?

AGE: ____ [RANGE: 1 - 110]

Dont Know / Refused
