

## Data Collection Worksheet

**Please Note:** The Data Collection Worksheet (DCW) is a tool to aid integration of a PhenX protocol into a study. The PhenX DCW is not designed to be a data collection instrument. Investigators will need to decide the best way to collect data for the PhenX protocol in their study. Variables captured in the DCW, along with variable names and unique PhenX variable identifiers, are included in the PhenX Data Dictionary (DD) files.

The Olweus Bullying Questionnaire is a questionnaire on bullying that can be administered on paper or electronically. This questionnaire is filled out by students in grades 3-12 and scored against a national database.

The Olweus Bullying Questionnaire is a proprietary protocol and must be purchased from the Hazelden Publishing.
